2024 Overhead Employee MOU

Purpose:

This MOU is for explanation, clarification, and agreement between the Calaveras Consolidated Fire Protection District, hereafter known as (CCFPD) and its employees.

The Calaveras Consolidated Fire Protection District, hereafter known as (CCFD) employs trained and experienced personnel who may be compensated to protect and serve the Communities of Valley Springs, Burson, Wallace, Campo Seco, Milton, Rancho, and Jenny Lind. Activation of these employees may become necessary when the following conditions exist: Training, disaster planning, requests by Cooperating Agencies, requests for trained personnel during periods of extreme fire conditions, natural or humanmade disasters, significant public events, and civil unrest by the National Response Plan.

All employees shall be qualified for their position per the standards and requirements of the National Wildfire Coordinating Group, Incident Operations Standards Working Team Qualifications Guide PMS310-1, and the California Incident Command Certification System (CICCS) 2022 Edition.

Employees must follow all training requirements of their NWCG/CICCS position annually. These requirements may include training required by CCFPD for its employees as outlined in the Refresher Training and Mandatory Training sections of this document.

DISTRICT WORK ASSIGNMENTS

The Fire Chief or designee will assign each member projects or tasks based on expertise throughout the fiscal year. These work assignments may consist of but are not limited to:

		Fuels Management
Finance/Administration	Website Admin.	Technical Specialists
Special Projects	Investigations	Duty Coverage
Admin. Project	Incident Responses	Communication
		Special Projects Investigations

Training

Phone: (209) 786-2227 Fax: (209) 920-4306 6501 Jenny Lind Road. Valley Springs, CA 95252 www.calcofire.org

Employees may support cooperating agencies by providing expertise in various fields. A log and Timesheets of the hours spent working on the various tasks and projects assigned shall be kept.

The Fire Chief shall set meeting and training attendance requirements annually. All members are required to attend meetings and trainings. These meetings may consist of, but are not limited to, team meetings, ongoing training, new and refresher training, and general district meetings.

Assignment Procedures

Employees shall be considered 40-hour-a-week employees. A seven-day work period starts at 08:00 on Monday and ends at 00:01 on Sunday morning. The First 40 hours are paid at straight time. Overtime will be paid for any hours worked over the first 40 hours within the same 7-day work period. Straight time shall start again with every new 7-day work period. Personnel are paid portal to portal while assigned to an incident.

All CCFPD personnel shall be qualified for their position per the standards and requirements of the California Incident Command Certification System (CICCS). Those members previously qualified under NWCG 310-1 and/or CalFire 4039 shall complete the appropriate procedure for reciprocity through the Calaveras Operational Area Coordinator. CICCS differs slightly from 310-1 and 4339. If you have started a Trainee position in either of these systems, additional requirements may be needed to transfer to CICCS completely.

Trainees and qualified personnel for incident positions shall follow all refresher training required of the CICCS position annually. These requirements may include Annual Refresher Training, a Physical Ability Test if needed, and any additional training CCFPD requires for its personnel.

Personnel may be requested to respond for assistance to the community in any disaster and/or event within the Fire District's Sphere of Influence, including State and Federal Incidents. The district shall provide all CCFPD employees with the following items.

ITEM	QTY
CCFPD ID card	1
Incident Qualification Card	1
Cal-Osha PPE (as required for the position)	1-set
Cal Card	1

Phone: (209) 786-2227 Fax: (209) 920-4306 6501 Jenny Lind Road. Valley Springs, CA 95252 www.calcofire.org

CCFPD Financial Procedures

Employees may be compensated for their assigned duties based on the hourly rate identified in the CCFPD Salary Schedule adopted by the CCFPD Board of Directors. Employees who have agreed to participate in State and Federal Incidents beyond their scope of employment with the CCFPD will not receive payment until the District receives payment from the responsible agency. Upon receipt, employees will be issued a check on the NEXT scheduled district payroll for payment of the Incidents.

For Incidents, all employees shall utilize the Cal OES MARS system for their F-42, including the electronic Exhibit H-Travel Expense Claim Form, any supporting documents, such as an ICS 213 signed by the IC or Finance Section Chief, Incident issued "S" number (if applicable), Timecard and receipts for all expenses from the employee, must be uploaded before the billing can be completed. If receipts and/or proper documentation are not submitted through MARS or received from personnel, CCFPD will charge expenses to the employee. Employees are responsible for having the F-42 signed by a Cal OES representative and Finance on the incident. All original documentation and paperwork for reimbursement MUST be forwarded to CCFPD within 10 days of demobilization from the incident.

Employees should also know that the 14 or 21-day cycle does not apply to local government personnel. The incident may grant you one or two days of R&R, but it is not required under the California Fire Assistance Agreement (CFAA).

Dispatch Procedures

Resource orders will come through the CalFire Emergency Command Center (ECC) in San Andreas to the Calaveras Operational Area Coordinator to the CCFPD Duty Officer. The Resource Orders will be emailed to the employee and Fire Chief. When a team member gets a pre-alert that their team will activate, contact the Fire Chief with your ETD, ETA, and mode of transportation. This will ensure that the order gets filled on time. The pre-alert allows the ECC to watch for the orders. Upon release of the incident, personnel are responsible for ensuring that the incident has been "released" or placed "available" in IROC and that they are available for a new incident. **Personnel do not contact the CalFire ECC directly.**

Phone: (209) 786-2227 Fax: (209) 920-4306 6501 Jenny Lind Road. Valley Springs, CA 95252 www.calcofire.org

Orders placed for team members during the initial team order must be placed the following way: Your request needs to state IMT followed by your last name, comma, and first name, and ensure that CFAA approval is somewhere on the order. Tuolumne-Calaveras Unit ECC has all team members listed in IROC this way. Members shall check with their respective IMT to ensure this is entered correctly.

If you are a team member, the IMT should arrange travel by commercial aircraft. TCU ECC will not arrange flights for you. If you are a single resource flying out of state without a team to arrange your flight, you can make a reservation using your Cal Card. Ensure you obtain an incident-issued "S" number, correctly signed ICS 213, and a copy of the Resource Order—the more items ordered and secured through the IMT, the less chance of delaying the reimbursement process.

Qualifications

Each member must obtain annual refresher training and physical ability testing certification and notify the Fire Chief when training is complete. Members shall forward all training certificates earned to CCFPD. Upon notification of training completed, the district will issue a current Fireline Qualification card. A copy of all training records will remain on file with CCFPD. CCFPD will ensure any updates are completed in IROC. Members shall not contact the TCU ECC for any reason. Any contact needed shall go through the Fire Chief.

Individuals assigned to an Incident Management Team shall notify CCFPD of which team they are on and if any changes are to be made to their team position. Team positions will be the approved positions listed in the CICCS.

Phone: (209) 786-2227 Fax: (209) 920-4306 6501 Jenny Lind Road. Valley Springs, CA 95252 www.calcofire.org

Team Assignments

For all incident assignments, personnel should have completed an ICS 225 Personnel Evaluation signed by their supervisor and themselves. CCFPD must be kept informed of their performance. This document shall be sent to the Fire Chief and placed in the members' training file. Additional assignments may be denied or canceled until the district receives all paperwork, including the ICS 225.

Items allowed for reimbursement from the assignment must be included in the Resource Order. These items include but are not limited to POV, rental vehicle (Only rental class identified on the resource order will be reimbursed), laptop, etc. If a rental is not authorized and required, the employee is responsible for payment, and reimbursement will be claimed on the OES Travel Expense Claim Form, with all receipts to be reimbursed. All vehicles shall be rented from Enterprise using the CCFPD authorization number. Vehicle rental fees shall not be reimbursed for days other than those authorized on the ICS-213. Ensure the items claimed are in the Resource Order before leaving the assignment. This ensures reimbursement comes from the State or Federal agency and not CCFPD.

Any item requested for reimbursement except mileage and hourly pay must have an "S" number. The "S" number and/or signed ICS 213 shall be obtained from the incident before the employee leaves the incident. This number is for out-of-pocket expenses to and from the incident: rental, lodging, food, etc. Employees shall make every effort to have these purchases charged to their district-issued Cal Card. Mileage reimbursement for private vehicle use shall be reimbursed at the rate set by the most current CFAA Rate Letter.

I agree to the terms and conditions contained w	ithin this MOU.

Employer Certification

The undersigned hereby agrees and acknowledges that Employer is aware and understands that the participation of its employees and retirees in one or more of the CalPERS benefit plans (the "CalPERS Plans") is subject to, among other things, the determination of Employer's eligibility to participate in a governmental plan pursuant to the Internal Revenue Code (the "Code"). Employer acknowledges that the Internal Revenue Service (the "IRS") is in the process of drafting regulations under Section 414(d) of the Code and that these regulations, when final, may impact Employer's eligibility to participate in the CalPERS Plans.

Employer understands that even if CalPERS determines that Employer is eligible to participate in the CalPERS Plans based upon its good faith interpretation of existing IRS guidance, upon publication of final Treasury Regulations pursuant to Section 414(d) of the Code (the "Final Regulations"), it may be determined that Employer would not be eligible to participate in a governmental plan under such Final Regulations. Employer further understands that in the event of such a determination, CalPERS will be obligated to comply with the Final Regulations and, if required, terminate the Employer's participation in the CalPERS Plans, including cancellation of all benefits for employees and retirees of the Employer (the "Termination").

By executing this Certification below, the undersigned certifies that all information provided to CalPERS in connection with Employer's application to contract, including all information provided in this Application, is true and correct. The undersigned agrees to update the information contained in this Application within ten (10) calendar days of the date the undersigned knows or should have known of any error or change to any information provided to CalPERS.

The undersigned certifies that he or she has been duly authorized by Employer to execute this Certification on behalf of Employer.

I, the official named below, acknowledge and declare I have read and understand the Application and Employer Certification. I am duly authorized to make this declaration on behalf of the abovenamed Employer, and declare the foregoing is true and correct as of the date of execution of this document. I further acknowledge my Employer's responsibility to provide updates in the event this information is determined to be incorrect or has changed.
